

# ÉCOLE MARIGOLD

Parents we have 2 different winter concerts that will be taking place on Dec. 12:

The Winter Concert at 1pm will be performances from various classrooms and our choir.

The evening Winter Musical Concert at 7pm will include choir, ukulele, and various soloists.

## Gift to Game Tree

**GIFT-A-GAME** One of Marigold's school goals this year is to improve student numeracy engagement and comprehension. Part of our plan is to offer math-based gameplay during instruction time and possibly during club time at lunch recess. We are putting together game kits with a focus on numeracy for the primary and intermediate classes, and for both English and French streams. We would like your help in making these game kits become a reality. Below is a list of games we would like to start with. Donations of new or new-like games (all pieces included) are welcomed and would be accepted in the "gift-a-game" bin by the main office. Thank you in advance for your support of this numeracy initiative!

**Battleship, Bingo (multiplication, addition etc.), Blokus, Checkers, Chess, Connect 4, Cribbage, Dominoes, Life Junior (French version: Destins), Monopoly (French version: Monopoly), Shape-by-Shape, Uno, Yahtzee**

# LOST & FOUND

We have accumulated a large amount of lost and found items and are encouraging students and parents to please look through the items with the hopes of finding items that have been misplaced. Any items that have not been collected by Dec. 21, will be donated to a local "good will" organization. Please take a look while you are here for concerts, drop off/pick up, etc.

## Parking Reminder

Marigold School and Community is a wonderful community where members consistently treat each other dignity and respect. In order to maintain our wonderful reputation, we are sending out a reminder to please use the Marigold parent parking and/or drop off zone when delivering and collecting your children. Please be respectful of the high school and of our neighbours private parking (driveways, access, etc.). Thank you!

## Grizzlies Assemblies - "Moving with the Grizz"

We have two assemblies focussing on building community connections, and to encourage physical activity and participation scheduled for Dec. 5 - one focused more on primary grades (K-3) and another focused more towards intermediate grades (4-5).

## Google Calendar

Marigold is now in the process of setting up, transition to, and using a Google Calendar. Our plans are to have the staff's version up and running for a while before we create a parent version that we will connect to our website. This will allow staff to access the calendar from anywhere and at any time (from an active connection) to ensure that information is as up to date as possible.

Deadline for orders is Wednesday November 29, 2017. See attached form.

## McKenzie Interchange Update

Attached is a "McKenzie Interchange Delay" notification for this week.

PAC is hosting an Interchange Meeting/consultation on Dec. 4 @ 6:30pm at the Spectrum Library

Thank you and Take Care!
