

# ÉCOLE MARIGOLD

## Dear Marigold Families,

Our school year has picked up momentum all year and we will be culminating in our last month with a number of big, fun events and adventures. Please connect with your classroom teachers regarding the multiple other field trips that are not listed below.

**Year End Family Fun Night (June 14)** - The PAC are working out the details of a Family Fun Night! Our community is very strong and I look forward to seeing our community out in the nice spring/summer weather enjoying our children and each other's company... and maybe some good music and ice cream!

**Cops 4 Cancer Campaign** - Marigold will start its C4C campaign early this year to honour the Grade 5's that are leaving us. Janice Hoffman and "long-haired" spouse are offering up their head/hair to one's who raise the most money. That's right a few more head shaves this year! There are a number of Grade 5's that have advocated to clean up Janice's hair doo and would like to provide her and her spouse some summer air conditioning. So, please create an account and join the Marigold Team online and start contributing to next years "Tour de Rock" campaign.

### To Donate -

Click on "Donate to a community group" (upper right - clear button)

Search "Marigold"

Click on "Donate Now" (green button - lower right)

### To Join the "Marigold Team"

Click on "Fundraise" (blue button - upper left)

Click on "Join an Existing Fundraising Team (center blue button)

Search "Marigold" - Click "Search for a team"

Click on "Join this team" - blue button (bottom right)

**At this time Marigold Elementary has already raised \$95.00! Go Marigold!**

**Grade 5 Year-End Adventure (June 19-20)** - This is our first and annual (hopefully) Grade 5 Year End Trip. This adventure has been primarily organized by parents and big thank you to Selena for starting this conversation and doing so much of the planning for both this trip and the Grade 5 Hoodies. The students will be at Camp Thunderbird for 2 days and one night. Thank you parents and community for helping with fundraising (bottle drives, cupcake sales, tea, hotdog day, and ice cream sales. More information is coming out to Grade 5 parent and guardians.

**Buddy Bench** - We are excited to be finally installing our Buddy Bench that we had since our playground was installed (almost a year) and it will be the only bench that will be accessible for those with mobility concerns.

**Witty's Lagoon Year End School-Wide Trip (June 22)** - We are planning to have a fun, year-end trip to Witty's Lagoon. The PAC has generously contributed to the busses (Thank you!) and Thank you to everyone who helped fundraise, to help cover the costs of this type of trip. Thank you Stephanie Jacques for taking the lead on this and organizing a wonderful adventure for us. Please expect more information to be coming home to help you prepare your child(ren) for the trip.

**Shout out to Facilities!** Just want to thank our District Facilities publicly for how responsive they have been to our needs this year! The time frame from request to action has been very quick and we are very appreciative. Just some quick examples... a set of blinds were reported broken and the next day someone was in to assess the issue and was replaced within a week, our fields are growing like crazy with the moisture in the ground and sudden heat and they are mowing every time we have asked and lined the field 3 times already, they responded to our water filling stations within weeks, have responded to installation of our buddy bench, came the next day once we reported a dead tree, etc. So, thank you Facilities for being so responsive and timely to our concerns.

**Dates and Events to be aware of:**

June 4 - PAC meeting 6:30pm (Library)

June 8 - St. Joseph Music Performance 9am (Gym)

C4C Head Shave during the morning recess

June 11 - Bike Safety Presentations (Gym)
