Dear Parents/ Guardians

After careful consideration and support from the Marigold School PAC, the Primary (K-3) Teachers would like to try a new program for purchasing school supplies for the 2019- 2020 school year. For the coming school year we are requesting that any primary student(s) in Kindergarten, Grade 1, Grade 2, or Grade 3, would provide \$40 for your child's supplies rather than you having to fill the posted school supply lists. Our hope is to save you time and money, and allow our staff to purchase the supplies they would like/use.

PLEASE NOTE: While teachers prefer this choice, this is an optional program. If you would prefer to purchase your own school supplies, please let Ms. Connolly at the office know and get the school supply list off our Marigold website (parent tab).

This system allows us to charge significantly less than the costs that were formerly associated with supply lists that were sent home. Savings will be found by buying only supplies that will be used in each individual class, buying certain supplies in bulk, and buying fewer supplies where possible (e.g. 10 sets of pastels for a class rather than 1 set per child).

If this presents a financial hardship to your family please discreetly inform Mr. Doyle or your child's classroom teacher.

Payment can be accepted by cash or cheque. Please pay in the office by Sept. 13/19. If paying by cheque please make it out to Marigold Elementary.

Thank-You

Marigold Elementary School
