## Message to Families - November 8th, 2024

- **Digital Devices** - We have had several issues this week with students on their personal electronic devices during the school day, including smart watches. Please be mindful that digital devices may NOT be used at school during the day and need to be left at home or stored in their backpack during school hours. If you wish to contact your child, or your child wishes to contact you, communication MUST be done through the office. This is District and BC Ministry of Education Policy for K-12 students. Thank you for your partnership.
