Message to Families – Jun. 19, 2026

- **Lego Robotics Coaches Needed for 2026/27** - Marigold is looking for one or two volunteer coaches to help Mme. Valikoski lead our popular Lego Robotics program during the 2026/27 school year. No previous Lego Robotics experience is necessary! Without volunteer coaches, we will be unable to offer the program next year. If you enjoy working with children and would be interested in supporting this exciting hands-on learning opportunity, we would love to hear from you. For more information or to express your interest, please contact the school office.
- **Grade 5 Recognition Ceremony** - This will be held on [Tuesday, June 23rd at 1:00 pm](#), in the Marigold Gym. All *Grade 5 families* are welcome to attend!
- **Whole School End of Year Activity** - Next [Wednesday, June 24th](#), we'll be celebrating the end of a wonderful school year with a whole-school picnic and play day at Hyacinth Park. Students will walk to the park with their classes and spend the day enjoying outdoor activities together. Please ensure your child comes prepared with water, snacks, a hat, sunscreen, and a lunch (unless they are participating in the PAC hot dog lunch). Families are welcome to stop by throughout the day.
- **The "Marigold Messenger"!** - Marigold has published its first school paper: The Marigold Messenger! This is a literacy project by Mme Chan's Division 3 class, with 100% proceeds going to help purchase novel sets for the Marigold Library. Papers will be \$2 per copy (for kids, purchase includes candy and a small gift), and will be sold to students during lunch recess next week and at Hyacinth. For the adults, the Marigold Messenger will also be available for sale at the office.
